

Predicting Rideshare Fare Prices

DS 5110 Final Project

By: Rishi Kamtam and Sabari ____

Introduction

Objectives and Goals

- Outline 2 goals
 - Goal 1
 - Goal 2
- Outline 2 objectives
 - Objective 1
 - Objective 2

Project Scope

Literature Review

Summary of Relevant Existing Work

Relation of Your Project to Previous Work

Methodology

Description of Methods and Techniques Used

Pseudo Code for Techniques Used

Time Complexity Estimation

Data Structures Utilized

Analysis and Results

Hours Spent In This Project Per Week and Month

Key Findings

Visualizations

Interpretation of Results

Discussion

Implications of Findings

Project Limitations

Conclusion

Conclusions for Project

Recommendations for Future Work
